

## DEVELOPING A LOGIC MODEL

PROGRAM NAME:

OVERALL PROGRAM GOAL:

What are the goals of the program?

What is the need that your program addresses?

| <b>Inputs</b><br>Program Resources   | <b>Activities</b><br>What does the program do?  | <b>Short Term Outcomes/Impacts</b><br>Results & Changes  | <b>Intermediate Term Outcomes/Impacts</b><br>Results & Changes   | <b>Long-Term Outcomes/Impacts</b><br>Results & Changes   |
|--|---|--|--|--|
| <p>Describe your program. What is it about?</p> <p>Who is aware of the need or problem (e.g., participants, practitioners, parents, community members)?</p> <p>What is needed to run your program? Consider aspects such as funding, human resources, research, equipment, etc.</p> <p>Describe any existing partnerships you might have.</p> <p>Do you have a manual or specific guidelines for how your program works?</p> <p>Have you ever done an evaluation of your program that can guide your planning for this evaluation?</p> | <p>How does your program work? Describe exactly what your program does.</p> <p>Which parts of your program are important? How do these parts help meet the program goals?</p> | <p>In the short term, what do you think changes when people participate in your program (e.g., participants, practitioners, parents, community members)?</p> <p>How do you think it changes? How do you assess this change?</p> <p>What do you want the outcome of your program to be?</p> <p>What is the short-term impact of your program?</p> | <p>In the intermediate term, what do you think changes when people participate in your program?</p> <p>How do you think it changes? How do you assess this change?</p> <p>What do you want the outcome of your program to be?</p> <p>What is the intermediate-term impact of your program?</p> | <p>In the long term, what do you think changes when people participate in your program?</p> <p>How do you think it changes? How do you assess this change?</p> <p>What do you want the outcome of your program to be?</p> <p>What is the long-term impact of your program?</p> |
| <p><b>TIMELINE:</b> How long does the program last? What do you consider short-term, intermediate-term, and long-term?</p>   |   |  |  |  |
